Telephone SH 5-3131**

R. L. WHEELER -:- CARL WHEELER, Mgr.

PRICE LIST 1961 — 1962

LOCATION: Our Nursery is Located in the Geographical Center of Georgia. Five Miles North of Macon, U. S. 129 to Gray. Macon is our Shipping Point.

Our Nursery has served Middle Georgia from this same location since 1920. Let our years of experience in landscaping and growing beautiful plants help you with your new home grounds.

We shall be delighted to have you visit our Nursery and see our complete line of shrubbery, fruit nut, shade trees and thousands of Camellias. Our plants vary in sizes to fit your budget.

On request, a member of our personnel will visit your home and give you free estimate of the plants you need. We also offer planting service.

We recommend that planting be done from mid October through March.

TERMS OF SALE AND SHIPMENTS

Please send your remittance with your order. Georgia customers add 3% sales tax to the total. Prices in this catalog are subject to change without notice, and are all F. O. B. Macon, Georgia. Please specify the way you wish to have us make shipment (express, motor freight, railroad freight or air freight.) When no instructions are given we will ship via Railway Express. We make no crating charge on orders over \$20.00, but if your order amounts to less than \$20.00, please add \$1.00 for the first plant and 25c for each additional plant ordered in order to cover crating cost.

We will endeavor to send out orders as near the date specified as possible, and will do everything in our power to insure Satisfactory Delivery to our customers, but our responsibility ceases upon delivery to carrier in good condition, insofar as damage in transit are concerned. Should your shipment be delayed or damaged in transit, please file claim with transportation company immediately.

This season, we are celebrating our 42nd Anniversary in the Nursery business in this location. Our sales yard will be chocked full of bargains from October through April.

We now have facilities to protect several thousand Camellia plants from the extreme cold. Now you can purchase Camellias for gifts or for yourself and be sure you get sound buds. We should have blossoms from November through April in these houses. If you don't have room for any more plants in your garden, we would be very glad to have you visit our nursery and go through Camellia houses.

We have a wooded area in pines adjoining our sales yard area with several acres planted in Camellias some 25 years old. We invite you out to see them during the Camellia blooming season.

ATTENTION NEW HOME OWNERS

(It Aint A Home Till It's Planted)

Do you know it really isn't expensive to have a planned design of the correctly planted shrubs around your home.

It is important to plant shrubs in the right place, depth, exposure etc. So call and let us give you an estimate. We will tell you what we suggest or correctly place the plants that appeal to you.

It isn't necessary to spend a lot of money for a few big plants. Buy small ones, you young folks. You will enjoy seeing them grow. Nothing will add more to the pleasure and appearance of your home than a few dollars spent on shrubs and trees.

The following list of plants is divided into several groups to help you select the right plants for a particular spot. We hope it will be of help to you. Many are not priced, but during planting season we will have several sizes and prices of each variety in our sales yard. We will gladly quote sizes and prices upon request. Many of these plants can be had from less than \$1.00 up.

HEDGE PLANTS — Some of these plants will require shearing, and others will make informal hedges with little maintainance.

Chinese Elm

Chinese Tallow

Live Oak

Japanese Oak

White Oak

Red Oak

Water Oak

Pin Oak

Silver Poplar

Yellow Tulip Poplar

Gingko

Pines

Bald Cypress

Pecan Seedlings

Pecans

Chestnut

Weeping Willow

Mulberry

We have a large assortment of sizes and prices. Shade trees should be planted from November through February

FLOWERING SHRUBS

Spirea - White, Single and Double Wigelia - Pink

Spirea - Pink, Blooms all summer Forsythia - Yellow

Red Quince Sweetshrub - Purple

White Quince Lilac - Lavender

Crepe Myrtle - Red, White, Lavender

We have thousands of plants growing in containers that can be planted at any time of the year. We recommend Fall, Winter and Spring planting for the larger field grown plants that are dug with a ball of earth and wrapped in burlap.

Fruit, Nut and Shade Trees should also be planted while dormant.

✓ GRAPES

✓ **SCUPPERNONG** — Oldest and most popular of the native grapes. Fruit is reddish to bronze; juicy to soft and sweet, with a distinctive taste and aroma. **75c**

✓ **HIGGINS** — A new variety that is excellent. The fruit is reddish bronze, large as a nickle, and grows in bunches. The fruit is sweet enough to be of excellent flavor; yet acid enough to make you want another. **\$1.00**

✓ **DEARIN** — A new release that is a bronze bearing male vine. **\$1.00**

✓ **MAGOON** — A reddish purple bearing male. **\$1.50**

✓ **HUNT** — Black in color. Probably the best black. **75c**

FRUIT TREES

We are growing over 100,000 fruit trees this season. They will be real nice after having such a good growing season.

LATEST INTRODUCTIONS FOR FALL 1961

REBEL YELL — 1961 Release

LARGE IRREGULAR SEMI-DOUBLE WITH EXCEPTIONALLY LONG STAMENS. ITS RUFFLED AND TWISTED PETALS FORM A MOST UNUSUAL CENTER PUTTING IT IN A CLASS TO ITSELF. ITS JUST A BIG OLD SHOW OFF THAT'S GOT WHAT IT TAKES TO REALLY STRUT. THE COLORING IS SIMILAR TO MELODY LANE, WITH COUNTLESS RICH RED SPOTS, STRIPES, SPECKS AND LARGE MORAED MARKINGS ON SPATTERED WHITE BACKGROUND.

PHOTOGRAPH APPEARS ON COVER OF A. C. S. JOURNAL, SEPTEMBER 1961.

SCION _____ \$4.00

1 Year Gallon Grafts _____ \$15.00

1 Year Container Grafts, Heavy _____ \$25.00 - \$35.00

1 Year 2 Gallon Graft _____ \$20.00

2 Year Graft _____ \$35.00 - \$50.00

4 and 5 Year Grafts, Heavy and Budded \$75.00 - 100.00
(very few)

(\$20.00 \$25.00 \$35.00 on hallifolia)

DIXIE KNIGHT SUPREME — 1961 Release

The most beautiful, the most talked about, the most sought after red and white camellia today. Dixie Knight has about the most beautiful shade of rich lively red of any camellia. Varigated Dixie Knight was even more beautiful because it held its beautiful red after it varigated, and didn't become washed out or faded red as many do after varigation. Now Dixie Knight Supreme with its heavy moraed markings is about the most beautiful camellia you ever saw. In fact that's what everyone has said that has seen it. We feel sure you will agree.

NO BUDDED PLANTS, JUST THE NICEST ONE YEAR GRAFTS YOU EVER SAW.

In containers grafted on hallifolia stock. One gal. Grafts on Sasanqua stock. SCION _____ \$4.00

One Year one gallon Graft _____ \$15.00

One Year two gallon Graft _____ \$20.00

One Year Four gallon Graft _____ \$25.00 & \$35.00

LINDA ABBOTT (Florida Seedling)

A magnificent Flower, deep pink to white, but most beautifully varigated, with a very heavy petaloid formation. Peony very large. SCION _____ \$4.00

One Year Grafts _____ \$15.00

Two Year (no budded plants) _____ \$20.00

NAUGHTY MARIETTA (Florida Seedling)

Mathotiana Seedling, Rich red and white varigated peony form to formal double. Called Naughty because it is almost unpredictable as to color markings and formation on same bush. Large. Only one year Grafts at \$10.00

SCION _____ \$4.00

LADY MACON (1960 Release)

Very large vivid pink to anemone form. An excellent grower, blooms late midseason to late. Was best outside flower in Baltimore Show last year. Mr. George Wheeler of Birmingham reported a seven inch plus blossom. But as it happens so often there wasn't a camellia show that day. SCION _____ \$2.00

Budded Grafts in containers _____ \$20.00 - \$25.00

Own Root Plants _____ \$3.50 to \$10.00

VARIGATED LADY MACON (1961 Release)

Very few one year Grafts, gallon size \$10.00 to \$15.00

SCION _____ \$4.00

SCIONS OF ABOVE 6 VARITIES (Postpaid) _____ \$20.00

OUR INTRODUCTIONS

CAMELLIAS DESCRIBED BELOW ARE OUR SEED-LINGS INTRODUCED BY US. They are picked from Thousands of seedlings and have shown up well under years of Testing.

LADY MACON

Our magnificent new seedling No. 459 has been named **LADY MACON**. This is a very large vivid pink anemone form being a shade lighter than Wildwood. It is a beautiful grower and is not tempermental. Our original plant is in the coldest spot in our nursery, even so it preforms beautifully. When placed inside with a bit of pampering the blooms mushroom to a tremendous size. Its blooming season is late midseason to late.

SCION _____ **\$2.00**

DIXIE KNIGHT

Dixie Knight is a very large dark cherry red incomplete double. Flower has large petaloids surrounding stamens to form 5 distinct groups. The depth of flower compares to that of Mathotiana Supreme. Blooms mid-season and growth is upright and vigorous.

SCION _____ **\$2.00**

VARIGATED DIXIE KNIGHT

This flower differs from most varigated ones in that it holds this beautiful red and doesn't look washed out.

SCION _____ **\$2.00**

VIRGINIA RICH

The flowers are medium size double with most extraordinary formation and color combination. There are 5 creamy, almost yellow, petals in the center surrounded by 15 white petals then 3 rows of light pink petals. The remaining 30 petals are pink changing to orchid.

SCION _____ **\$2.00**

MARY ANN HOUSER

Mary Anne Houser is a very large and deep incomplete double rose with large petaloids irregular formed.

SCION _____ **\$1.00**

JOHN HOUSER

A LARGE INCOMPLETE DOUBLE LIGHT WILD-WOOD PINK. It blooms **early** or we should say over a long period, from October to March.

SCION _____ **\$1.00**

R. L. WHEELER

R. L. Wheeler (plant Patent No. 1137) is a very large semi-double to incomplete double rose. Heavy convoluted guard petals with numerous bold circular stamens intermixed with petaloids. Sometimes blossoms do not have petaloids. Many plants produce solid and variegated flowers. It has strong upright growth with large dark green foliage. It has stood weather extremes exceedingly well. Blooms midseason. Has won numerous shows and awards of merit.

**If you wish to graft R. L. Wheeler we sell Patent Labels
@ 25c each**

LOIS NORVELL

Lois Norvell is a very dark red semi-double of unusual form. Will definitely stand lots of cold weather. Also comes variegated. The variegated is really beautiful.

SCION **\$1.00**

MARY WHEELER

Orchid Pink to Light Pink to White. Large peony form with waved petals twisted toward center mixed with stamens. Its coloring is most beautiful and unusual. The blossoms are about 4 inches and incomplete double. **IT WON FOUR AMERICAN CAMELLIA SOCIETY HIGHLY COMMENDED SEEDLING CERTIFICATES IN 1957.**

SCION **\$1.00**

RIVERS YERGER

Rivers Yerger is a large peony form white flower flecked with pink spots and stripes varying in formation and number of petaloids.

SCION **\$1.00**

EUNICE BUCKLEY

Eunice Buckley is an extremely large semi-double flat rose pink with water lilly petals.

SCION **\$1.00**

CAROLYN WILLIS

A most beautiful new seedling release. The flowers are very large, incomplete double with petals twisted and curled toward the center with much depth. It has a very wide variation of color patterns with several shades of pink and red on the white background.

SCION **\$1.00**

CECIL BRUNAZZI

Cecil Brunazzi, an outstanding medium light pink that produces large incomplete double blossoms.

SCION **\$1.00**

FAYE WHEELER

Faye Wheeler is a large deep incomplete double light pink with waxy, wavy petals which form a most beautiful flower.

SCION \$1.00

ANNE GRIFFIN

Anne Griffin is a very large incomplete double rose pink. The petals are twisted and curled toward the center giving much depth to the flower.

SCION \$1.00

MARJORIE HUCKABEE

Marjorie Huckabee is an incomplete double light waxy pink medium to large flowers with petaloids and stamens intermixed.

SCION \$1.00

MIRIAM STEVENSON

Miriam Stevenson is a semi-double to incomplete double and a most beautiful shade of light pink.

SCION \$1.00

EDDIE G. WHEELER

Eddie G. Wheeler is a gorgeous soft pink of Donckaleri form having a beautiful and distinctive sheen of bright golden stamens.

SCION \$1.00

KITTY BERRY

Kitty Berry is a very fine peony form light peach pink.

SCION \$1.00

SALLIE MAYS

Sallie Mays is a medium large semi-double to incomplete double light pink.

SCION \$1.00

MYNELLE HAYWARD

Mynelle Hayward is a beautiful light pink peony form flower of a lighter shade Debutante.

SCION \$1.00

ARLENE IGNICO

Arlene Ignico is a loosely formed incomplete double rose resembling reticulata in flower and foliage. Comes variegated.

SCION \$1.00

WHEELER'S FRAGRANT

A large semi-double with herme coloring. Original seedling has half dozen sports. Blooms early and is most satisfactory.

SCION \$1.00

SCIONS OF ABOVE 23 VARITIES \$20.00 POSTPAID

OWN ROOT CAMELLIAS

WHY BOTHER TO GRAFT WHEN YOU CAN
BUY BUDDED PLANTS AT THESE PRICES.

THE FOLLOWING CAMELLIAS ARE CONTAINER
GROWN IN A PORUS SOIL MIXTURE. THE BUD
CROP IS EXCELLENT AND THE PLANTS ARE AS
PRETTY AS ANY YOU EVER SAW. ALL OF OUR CON-
TAINER CAMELLIAS ARE SITUATED SO THEY WILL
BE PROTECTED FROM EXTREME COLD.

WE DO THIS SO THAT OUR CUSTOMERS WILL BE
SURE TO GET PLANTS WITH SOUND FLOWER BUDS
AND MOST IMPORTANT ROOTS THAT HAVEN'T
BEEN FROZEN. THE FOLLOWING PLANTS HAVE
BEEN IN CONTAINERS FROM ONE TO THREE
YEARS. HEIGHT VARIES MOSTLY FROM ONE TO
THREE FEET, DEPENDING ON GROWTH HABIT.

Are growing in one and two gallon containers.

KEY TO PRICES OF FOLLOWING VARIETIES

- A \$1.25 mostly budded one gallon size
- B \$1.75 mostly budded one gallon size
- C \$2.00 mostly not budded one gallon size
- D \$2.00 Some budded
- E \$2.50 Budded Plants
- F \$3.00 Budded Plants
- G \$3.50 Budded and heavy
- H \$4.00 Budded and heavy

R. L. Wheeler & Vari. " 2 or more years	\$6.00 up	
Guilio Nuccio - Well Budded 2 or more years	\$6.00 up	
Vari. Dixie Knight W. B. 2 or more yrs.	\$12.50 to \$20.00	
Sawada No. 14 - Well Budded 2 or more years	\$10.00	

Let Us Quote You A Price On Your Scion Want List.

Azalea and Camellia Spray Schedule

The desired results can be had by using Oil-I-Cide or a Florida Volck Isotox Combination. Directions are on packages. Be sure to get the spray underneath the leaves.

CAMELLIAS TO COME FROM WHEELERS

The three following varieties are not our seedlings, but we would be very happy to claim them. It is indeed an honor to be selected by the originators to introduce the following. Plants will be very limited, so get your name on the list. You will be under no obligation to take them should you want to change your mind. You will be advised later as to prices.

GLORIA STUART

A 7-year-old chance seedling that first bloomed in 1957, originated by Mr. and Mrs. Art Barry and O. G. Thomas of Macon, Georgia, commercial introduction Fall of 1962. Plant growth is upright and rapid, with leaves averaging $3\frac{1}{2}$ inches in length, 2 inches in width. The semidouble, purest white flower is $5\frac{1}{2}$ inches in diameter, 3 inches in depth and has 25 petals and 2 to 5 petaloids. Flowers hold on exceptionally well. Blooms early.

We think this will be a most welcome addition to the camellia family because of the time it blooms, Its size, Its color, formation, holding qualities and growth habit.

JUDY MATTHEWS

An 8-year-old chance seedling that first bloomed in 1958, originated by Geo. M. Wheeler, Birmingham, Ala. Plant growth is upright and average, medium in rate, with medium green leaves averaging 4 inches in length, 2 inches in width. The true blush flowers, $4\frac{1}{2}$ to $5\frac{1}{2}$ in diameter and 2 to 3 inches in depth, are loose peony form to incomplete double with white stamens and have 35 to 45 petals. The blooms stay fresh ten to twelve days and the color does not wash out, the flower falling in one piece. The center petals stand up among the stamens and are twisted. Blooms Midseason.

This variety was shown as seedling last year and won **HIGHLY COMMENDED SEEDLING CERTIFICATES** in Atlanta, Meridian and Birmingham.

LOUISA WILSON

A 5-year-old chance seedling of Elizabeth Broadman that first bloomed in 1959, originated by D. L. Wilson, Macon, Georgia. Plant growth is upright and open, medium in rate, with dark green leaves averaging 3 inches in length, 2 inches in width. The semidouble flower, 6 inches in diameter, 3 inches in depth, is blush white with white stamens and has 19 petals and 2 petaloids. Texture like porcelain, an alive, crisp flower with good lasting qualities. Blooms Midseason.

It will be at least fall of 1963 before we will have enough of this fine variety to release. This flower is undescribably beautiful and tremendous in size. It was shown as a seedling in Albany, Georgia and Savannah last season and won **HIGHLY COMMENDED SEEDLING CERTIFICATES THERE.**

AZALEAS

We are growing the following varieties of Azaleas.
Some varieties are very limited. Two year plants
of all varieties. Some three and four years old.
